

GET AHEAD OF THE CURVE.

BASIC hr THE PREMIER ONLINE HR LIBRARY

Features thousands of pages of content, hundreds of downloadable forms and great new HR tools including the easy-to-use Job Description Builder.

Did you know that employees win lawsuits two-thirds of the time with the average employment verdict exceeding \$250,000 and the cost of defense exceeding \$100,000?

In a recent survey, 57% of companies said they had dealt with an employee-related lawsuit in the past five years. How do you protect your company from the time, expense and distress associated with employee-related lawsuits?

The answer is easy... **BASIC hr!** The one online HR resource every business needs. Our site features thousands of pages of content, forms and posters—it's like having a mini-HR department at your fingertips.

BASIC HR INCLUDES:

- Employee Benefits — Federal and State guidelines and how-to information to help you stay compliant.
- Downloadable and Customizable sample Employee Handbook.
- Laws such as COBRA, ERISA, FMLA, HIPAA clearly explained.
- Human Resource information including how to do a performance review, interview, hire and terminate.
- Hundreds of downloadable forms, policies and checklists.
- HR Tools such as the Job Description Builder and Salary Benchmarking tool.
- Downloadable federal and state posters.
