indianapolismotorspeedway.com

Be a part of the world's largest gathering of Trikkers—
witnessed and documented by the "Guinness World Book of Records."
(Guinness Claim ID 485996)

Tentative Agenda:

FRIDAY, August 14:

- A pleasure ride, LSM type, on the recently completed \$63 Million dollar "Indianapolis Cultural Bike Trail." indyculturaltrail.org/

SATURDAY, Aug. 15:

- **8:00 AM**, event held near the track, will be a combination of Trikke clinics, workshops, demonstrations, contests and games with prizes for the winners of the various events, and the **WORLD'S LARGEST TRIKKE GROUP WHEELIE**.
- **1:30 PM BODY-POWERED RACES** will consist of 3 starts. The first for men who want to compete in a timed event with a trophy for the winner, and; second, a start for women who would also like to compete for a trophy. **LIMIT: the first 50 for the men & the first 50 for the women (registration received/dated).**
- **A final, third start** for all who just want to enjoy the experience of riding the track will follow the "competitive" event, which will allow all participants to have the memory of being a part in setting the World's Record for the greatest number of Trikkers in one place at the one time. (...a record which may never be broken!)

ENTRY FEE: \$40.00 PER PERSON (U.S.\$) Please send a **POSTAL MONEY ORDER payable to Trikke 500 INDY**. Each participant will receive a numbered, professionally made, high quality decorative armband that will distinguish you as part of this World Record setting event and something you'll want to wear on future Trikke rides. Renting the track is the largest expense, followed by the armbands, trophies and a few prizes. *If for any reason we need to refund your entry fee, your address is written clearly on Postal Money Orders, making it easier to return. It is hoped that our Trikker friends attending from outside the United States have a similar Money Order system, for the above stated reason.*

DEADLINE TO SIGN UP: APRIL 25, 2015
