

Part Time Employee?

If an employee is incorrectly classified as a part time employee and receives a subsidy from the Marketplace, the company could pay a **\$2,160 penalty** to the IRS.

Full Time Employee?

If an employee is incorrectly classified as a full time employee and enrolls in the company sponsored healthcare plan, it could cost the company **\$5,000** for an additional premium.

Variable Hour Employee?

If an employer does not offer coverage to the company sponsored healthcare plan to all full-time employees (30 hrs or more per week), and they receive a subsidy, it could cost the company **\$2,160 per employee**.
